Photos / dog thief / dogs name

A lot of local groomers put up grooming pictures up on their social media pages , this is something that I am a little apprehensive to do due to the amount of dog thief's in the area, being mobile these nasty people get to see where you live. If you would like a picture of your dog we will always be happy to send you one.

Multiple dogs

If you have multiple dogs that we groom we book these in on the days when we have our bather working with us so if you need cancel one of your dogs please let us know 48hrs before the groom so we can fill that spot .

Unfortunately failure to do this will result in the cost of the full groom for the absence dog as we have staff costs to pay.
